Dr. Ravi I Jayakaran has over three decades of experience in poverty reduction and strategic development programs. He is the President/CEO of Medical Ambassadors International as well as the Catalyst for Integral (Holistic) Mission for the Lausanne Movement.

Dr. Jayakaran has worked in senior management positions in the corporate sector, with international NGO's, the Asian Development Bank and the UNDP. He has lived and worked long term in India, Cambodia, China, and the U.S. He provided technical support to more than 23 countries across Asia, Africa and Latin America, working on issues of Participatory Development, Poverty Reduction, Impact of Regional Economic Integration, HIV-AIDS Programs, Street Children Support Programs, Trafficking Prevention, Rapid Needs Assessments, Corporate Social Responsibility, Evaluation and Capacity Building, and Holistic Mission.

Dr. Jayakaran developed the "Holistic Worldview Analysis" and other new participatory tools to "Measure what Matters" in community transformation and empowerment and to facilitate Holistic Integrated Development for Integral Mission. Ravi and his wife, Vimla, live in Ripon, CA. He can be contacted at: ravi@med-amb.org.

Dr. Victor Chen has served as Global Coordinator of Field Ministries for Medical Ambassadors International since 2015. From 2008 to 2014, he worked with an NGO in Central Asia in the sectors of community development, disability, and preventative health while helping to train other organizations in holistic community development.

Dr. Chen is also a family physician who received his Doctor of Medicine degree from the University of Southern California, Keck School of Medicine and his Masters in Public Health degree from the University of California, Berkeley School of Public Health. Before joining MAI, he worked as a Faculty Physician in the Stanislaus County Family Medicine Residency Program and in a county community health center in west Modesto. Victor and his wife, Christine, live with their two daughters in Modesto, CA. He can be contacted at: victor@med-amb.org.
